Dale Mitchell from ODA wanted to meet with OPP about the Pitchfork petition when he was back in DC last month but it didn't work out. So we arranged a call for Wednesday, 9:00 - 10:00. Other Oregon agencies may also be on the call. This call is primarily intended for Oregon to dialogue directly with HQ, but those of us involved in the community and OFS meetings should participate.

Hi, everyone. Looking forward to speaking with you tomorrow. I will direct attendees on our end to use the call-in information below, provided by Scott. I had suggested same number, different conference code earlier, but I will use this one. Please let your colleagues know, and I will too. Scott, I am assuming I don't have to use my Leader PIN for this call, so I gladly surrender my nominal leader role.

If anyone is compiling an agenda, please distribute. It is my understanding that one focus of the call will be OPP's work on the "Pitchfork Petition," and I am supposing there will be a lot from the West Coast about the public meeting!

I look forward to our call

Jill

Dale - Linda said you had asked whether other Oregon agencies can participate in the call with OPP. Jill said that would not be a problem. Can you share the following call-in number with those you want included and let us know who that might be?

Call-in number: Non Responsive

Conference code: Non Responsive

Thanks, Scott
